

Computer Skills Placement (CSP)

The CSP is an exam that covers competency skills in the following areas:

**Computer Concepts, File Management,
Word, Excel,
Access, PowerPoint,
Internet Explorer 11, and Email (Outlook)**

Important Information about CSP:

- All items are based upon Windows 10/Office 2016
- Each competency area is tested with 10 questions that are a mix of performance-based and multiple-choice items
- 70 total questions
- CSP is not timed
- CSP requires a score of **70% or higher** to receive credit for SouthArk's Computer Information Processing (CSCI 1003) course
- CSP costs \$43.00, which is paid at SouthArk's bookstore

Call **870-864-7196** or email **testing@southark.edu** to set up an appointment to take the CSP!
